

Contract of Commitment

Congratulations, now that you have completed 12 hours of instruction, you have reached a pivotal point in your quest to earn a General Educational Development (GED) diploma. According to the federal and state laws, your name has now been entered in the Adult Education Reporting Information Network.

By signing this “Contract of Commitment” you are making a pledge to attend class on a regular basis, apply yourself on all assignments and complete the entire GED course curriculum to the best of your ability. Also according to policy, if you have three unexcused absences within a six week class period you will no longer be allowed to attend class. You will have the option of taking a self-pace online GED course until the next instructor led GED class begins.
